

# Faces

Sir MidlaQ

Key: A  
206 BPM

Smooth skin prepare a pillow to  
hold your chin and everything bellow you  
peel thic slices until you hit a bone  
Beautiful skin thats waitin to reborn on you

show me your faces they are right in front of you  
on a regular basis where is the one that you would choose  
show me your faces they are right in front of you  
Without a trace you disappear chasin your head thats on loose

garbage bin filled with left over mood  
severed heads and everything bellow too  
They seem nice to cuddle the animal  
beautiful skin thats goin to reborn on you

show me your faces they are right in front of you  
on a regular basis where is the one that you would choose  
show me your faces they are right in front of you  
Without a trace you disappear chasin your head thats on loose

Bear with me  
Lay with me  
Stay with me  
control me

Bear with me  
Lay with me  
Stay with me  
obey me

show me your faces they are right in front of you  
on a regular basis where is the one that you would choose
