

# Jelly Sweets

Sir MidlaQ

Key: A

Help me understand the sweets  
I cant resist them  
the Unsettling pressure on my cheeks  
its overwhelming

Who is whispering these thoughts  
down goes my inspiration  
The heavy weight champion  
in temptation

Jelly sweets are evil medieval torture  
take another one  
Jelly sweets will conquer your heart  
tear apart your soul in half

Have a seat and watch the things  
with wide opened eyes  
enjoy the motion  
Its one of a kind

Who cares where the truth lies  
if its not with me  
Relieve your whole attention  
with the torment pie

Jelly sweets are evil medieval torture  
take another one  
Jelly sweets conquer your heart  
tear apart your soul in half

Mortify a state of mine  
Wisdom is held hostage  
Kindapped by a evil ugly jelly sausage

Jelly sweets are evil medieval torture  
take another one  
Jelly sweets conquer your heart  
tear apart your soul in half
